

Financial Assistance

The following links provide access to various programs available to assist families in financial need, whose children may not otherwise be able to participate in organized sports.

Application for assistance through the programs below is the responsibility of individual families. If you have applied to one of these, or another organization, for financial assistance, please notify the registrar through email at gbminorhockey@ns.aliantzinc.ca or inform Tracey if registering in-person to notify GBMHA of the application. You can also contact Tracey at the above email address or call 902-842-1533 if you have an outstanding balance and/or would like to make payment arrangements.
